

## A Hutchins Family Update

Submitted by Diane Hutchins

**Maurice and Patty Hutchins** with their dog, Buddy watching church service together using a laptop, smart tv and Bluetooth speaker system so they could better appreciate the wonderful music. Aren't they cute? We all enjoyed listening to Helen Farnsworth and Susie Goodwin sing their amazing duet. Amazing job, ladies!

If you missed the October 17th service (or want to watch it again) here is a link to it:

My Dad, **Maurice Hutchins**, recently taught me how to change the oil in our snow blower. Dad had a great time putting his skills to work to get ready for winter. It was a beautiful fall day, and I realized how much easier it is to

restock shear pins when my fingers are not freezing! Thanks to Amazon, I was able to find plenty of back-up shear pins to get us through the winter. Our snowblower is ready to go to work!

**Patty Hutchins** making the most of her time at home by helping place Church on the Cape stickers on Clynk bags. In anticipation of the holidays, the church has an abundant supply of Clynk bags. Bags are available 24/7 outside the church office under the covered porch. Please feel free to take more than one bag, fill them up with your returnable bottles and cans and drop them off at any local Hannaford grocery store. All proceeds are designated to benefit Church on the Cape Outreach programs.
